REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission for Wallace Elementary/Middle School, revised during the 2009-2010 school year, states, "To effectively educate the children of WEMS by facilitating the growth of the whole child." Throughout the school year the school demonstrated the implementation of this mission.

This year the school was recognized by the Teacher Advancement Program for scoring a perfect value-added score of five. The school was also recognized for meeting Annual Yearly Progress (AYP).

Through the implementation of the Teacher Advancement Program for the third year, our teachers continued to grow professionally through their involvement in meaningful staff development. As another district-wide initiative, the school implemented the 10-Day Assessment, which was used as a progress monitoring tool.

This year we had one Junior Scholar, ten students recognized for the Presidential Academic Education Award, and two students that placed honorable mention and third place, respectfully, in the Sandhills Regional Science Fair. Each nine weeks our Terrific Kids and Honor Roll students were recognized for their achievements.

The Junior Beta Club continued to implement service projects that included school-wide fundraisers for Pennies for Patients and local charities. Our physical education department continued its fundraising efforts by sponsoring Jump Rope for Heart and Hoops for Heart.

Single-gender classrooms continued the second year of successful implementation in the seventh and eighth grade. Teachers observed an increase in meaningful participation in all sections.

The school received unanimous support from the Marlboro County Board of Education in establishing The Academy of Physical Fitness and Healthy Living. This school-wide initiative and will be implemented beginning the 2010-2011 school year.
