SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gallman Elementary continues "Leaping into Learning" as we complete the sixth year at this location. The staff, parents, and community continue to work together to provide quality educational opportunities for all our students. Students have thrived in our warm, caring environment and have reached out to others through activities supported by the school such as: Adopt -A-Family, Pennies for Patients, Jump Rope for Heart, Math-a-thon, and our extensive recycling programs. Student support and donations continue to surpass our expectations, which reinforces our spirit of giving and caring for others. We are proud to have donated over \$22,000 to the Math-A-Thon program over the last 10 years.

As we began the 2009-10 school year, our School Leadership Team met to analyze all current data and surveys on our students and our school. The analysis of this data which was shared with our School Improvement Council (SIC), teachers, and parents continued to be very encouraging as we showed school-wide improvement across most subject areas. In order to help us follow our students' progress, we developed a Data Board to track student achievement.

Gallman teachers have been offered many opportunities to expand their knowledge and expertise through attendance at workshops, working with site-based consultants, taking technology training, and by pursuing advanced degrees. The district is providing professional development through Phil Schlechty's Working on the Work for all staff members over several years. This year, we had a teacher receive her National Board Certification. At present we have two teachers who have received this certification.

Several school-wide programs and activities are being used to promote achievement and encourage students to exemplify good habits, such as an Awards/Celebration Day held each nine weeks and Brag Tags which are sent home to parents to recognize positive accomplishments. LEAP tags are given to students for meeting school-wide goals. Many parenting events such as Lunch with Grandparents, Moms and Dads, Hispanic Parent Workshop, Family Science/Math Night, PASS Night, and a Cinco de Mayo celebration were held.

Our PTO organization continues to provide outstanding assistance and incentives to the students, teachers, and the school through fundraising and volunteer projects.

The highlights of our year include: a 21st Century After-School program, the purchasing of more computers, SmartBoards and document cameras, receiving a Newberry County Memorial Hospital Healthy Hearts grant, PTO Fall Festival, and selection of two students as SAFE KIDS Calendar winners. In addition, our school was awarded a Family Connection of South Carolina grant, Fresh Fruits and Vegetable grant, and partnered with Harvest Hope Food Bank in the Backpack take home project.

Learning at high levels in a safe nurturing environment with the support of families and the community continues to be our focus at Gallman Elementary School.
