REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ravenel Elementary School strives to “Reach Every Student” by utilizing best practices in the educational process. Ravenel serves 550 students in grades kindergarten through fifth grade. We want our students to become life-long learners who succeed in a competitive world despite any challenges they may face.

Ravenel Elementary’s goal to “Reach Every Student” in the classroom is our main focus. Teachers use the best practices, including differentiated instruction, balanced literacy, and formative assessment to engage students in the learning process. Teachers continually use data, such as MAP and PASS scores, to prepare and drive their instruction. We implemented PASS and MAP mentoring groups with our guidance counselor for students in second through fifth grades. During classroom visits, the guidance counselor discussed the students’ scores on the PASS and MAP, helped them set realistic goals and offered strategies on how they could improve throughout the year.

Our school also not only works to reach every student, but also their families. We work very hard to make Ravenel a school where all are welcome and where the students look forward to each day of learning in a safe environment. We hosted events called Family Nights this year where students and families enjoyed building books, attending Book Fairs, seeing a real historic wax museum hosted by the fourth grade, and sharing a movie night with family members in the safe environment of the school cafeteria. We encourage students to be physically fit as well. We have an early morning walking program each day which is supervised by our two physical education teachers. Our third through fifth grade students take part in the Clemson Relays annually, and this year our fourth grade relay team set a new record. We have the county’s biggest Jump Rope for Heart celebration where we raised money for the American Heart Association. The entire school and community enjoyed the 17th year of Artists on the Green where artists gather at Ravenel to demonstrate their skills. Our guidance counselor also organizes an annual Career Day where community members come and share their trade with the students. The school also raised funds for earthquake disaster relief in Haiti and for local food banks, and always manages to raise significant amounts for the American Cancer Society through Relay for Life. This year the school raised over \$10,000 for this cause.

The PTO and SIC are vital parts of our school and help Ravenel “Reach Every Student” with additional leadership and funds. PTO funds purchased numerous items for the teachers and honored them with a meal during Teacher Appreciation Week. PTO along with volunteers from our school community helped with our annual Back-to-School picnic, Variety Show, Fall Festival, and numerous everyday school activities.

We will continue to strive to live up to our district’s motto, “Education is Everybody’s Business.” We know that community outreach and partnership with our school families will make this possible. We will continue to improve our performance and therefore our students, so that we will indeed “Reach Every Student” at Ravenel Elementary School.
