REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Vance-Providence Elementary School is located in a rural setting in Orangeburg County. The school has a student population with approximately 89.91 percent of the students receiving free or reduced lunch. High standards and high expectations have become our recipe for success. Our school has received a SCANA Homework Center grant that provided tutoring for students in grades two and three. Vance-Providence Elementary was also selected to have a technology/science coach (C2T2) for the 2009-2010 academic year. In addition, we are the recipient of a Students, Teachers Achieving Results (STAR) grant from Savannah River Remediation and have received XO Laptops from Blue Cross/Blue Shield for every student in grades one through five.

We offered various programs to promote community involvement. Our lunch buddies program brought in community groups and agencies that provided support and guidance for our students during lunch time. Our Career Day gave students the opportunity to observe and ask questions of representatives from various occupations and to gain a perspective of the types of work they might wish to pursue. During our Meet the Teacher/Welcome Back Night, students and parents were provided the opportunity to meet with representatives from various community agencies to make inquiries about services available to them. We were given an operational status by the SACS Quality Assurance Team and recommended for continued accreditation. Students in grade five received training in the DARE program and fourth graders received training in the GRATE program which increased their awareness of the dangers of drugs and alcohol. In addition, we established a partnership with the town of Vance to allow students the opportunity to participate in city improvement projects and take pride in their community. A school brochure was developed for the parents and community to highlight school accomplishments and inform them of available resources.

Vance-Providence Elementary School was a participant in the 21st Century Boys and Girls Club, which provided students with afterschool extra-curricular activities. The Lake Marion Kiwanis Club recognized students in grade PreK-5 for good citizenship at three PTO meetings. Students and faculty members were recognized for good health and conditioning practices by the "Feeling Good Mileage Club."

In order to meet the diverse needs of all their students, teachers work diligently to improve their professional skills. Several staff members were selected to serve on the district curriculum review team. To insure the quality of the instructional program, teachers are monitored on a daily basis by the school administration and periodically by members of the District's Teacher Support Team.

Vance-Providence Elementary School is fortunate to have a supportive business community, a committed clergy, and parents who stress the importance of a quality education program. As our motto states, Vance-Providence Elementary is "Developing hope, one student at a time."
