REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Edward E. Taylor Elementary School has made Adequate Yearly Progress for the 2006-2007, 2007-2008, and 2008-2009 school terms.

The mission of Edward E. Taylor Elementary School is to prepare every student to be successful, contributing citizens in a global society, by providing an effective and high-quality education. We provide this quality education through our staff of 48, which includes two teachers with doctoral degrees, four Educational Specialists, seven Masters Degrees +30, six Masters Degrees, 24 Bachelor Degrees, and three Associate Degrees. Our experience, from 1 to 39 years, allows us to teach with rigor our 258 students, of which 248 are African-American. The enrollment spans the gamut of Pre-K through fifth grades. Daily, our students interact with a faculty where 94% pursued higher education.

Edward E. Taylor Elementary School students engage in a variety of experiences, thanks to the help of our community partners and volunteers during the 2009-2010 school year. Each class of first and second graders is designated a Foster Grandparent from the Foster Grandparent Program that is assigned to assist the teacher during school hours. Other community partners, i.e., Palmetto Health Alliance, Big Brothers, Big Sisters, Labor, License and Review (LLR), Capital City Lodge #47, and the Boys and Girls Club, lend their support in other critical areas such as character development. Their combined efforts, coupled with the School Improvement Council, form a cohesive bond that manifests positive results that are measurable in the classroom through positive self-images, enhancement of academic achievement, and a noted increase in accepting personal responsibility.

To provide continuity to students in school academic endeavors, we offer several afterschool tutorial programs, which extend the school day. Students in grades three through five are afforded the opportunity to receive academic assistance through our Intensive Intervention Tutorial Program (IITP). Students are identified for this program based upon teacher recommendations, student academic plans, IEP's, classroom assessments, district benchmark assessments, SuccessMaker performance and previous PASS scores. At parental request, transportation is made available to maximize participation. These services are provided at no cost. For all other students, the Boys and Girls Club of the Midlands is available for a nominal fee and remains open until 6:00 p.m. Counselors and mentors are on site to assist with homework and differentiated activities that coincide with school and districts expectations.

Edward E. Taylor Elementary School provides students with innovative opportunities critical to their developmental stages, while infusing technology as an interactive way to motivate students to become engaged and excited about the learning process. We also provide opportunities to parents, to strengthen the bridge between home and school and acclimate parents to the 21st Century classroom, through Books and Breakfast, Family PASS Night, Mom's Matter, A Father's Place, Lending Library, Take Home Laptop Program, technology classes, and F.R.E.D. initiatives. We have created an environment where students can "dream, believe, inspire" and achieve.
