SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rosewood Elementary School, in its eighty-fifth year, is one of Columbia's most diverse and high-achieving schools. While approximately forty percent of our students qualify for free or reduced lunch, our school has one of the largest percentages of Advanced Academic Placement (AAP) students in the district.

For the 2000-01 and 2000-02 school years, our school was awarded the state's Palmetto Silver Award for students' improvement on PACT. In 2002-2003 our school earned a "Good" achievement rating. In 2003-04 our school received an "Excellent" school report card rating. In 2004-05, 2005-06, 2007-08, and 2008-09, we received "Good" ratings. For 2009-10, we received a Palmetto Gold Award for our Excellent achievement rating.

In kindergarten, students learn how to read with the help of "Breakthrough to Literacy," a computerized and individualized program of reading instruction. Beginning in first grade, students needing extra help in reading and/or math are provided smaller classes in these subjects. Beginning in third grade, students are eligible for academically advanced classes in reading and math. Each grade level sponsors its own community service project. Our conservation and recycling efforts have led to recognition as an environmentally friendly Earth Flag school.

Test results indicate that approximately one-fifth of our students do not demonstrate basic competency in reading and mathematics. We have addressed this problem by significantly enlarging the scope of our "Accelerated Reader Program," thanks to a generous donation from our parent and teacher association. The program, through individualized goals and computerized assessment, encourages students to read books and rewards them for their efforts. Also, we have implemented an after-school remedial program for third, fourth, and fifth grade students who scored "Below Basic" on PACT.

We have developed programs and curriculum that help students resolve conflicts peacefully and help students increase their awareness of desirable character traits as members of a community. We also encourage students to participate in service projects at each grade level.

Our school is fortunate to have a strong group of parents who volunteer their time. Our local Publix grocery and the Shandon/Rosehill Neighborhood Association have donated generously to our school. We offer an after-school dance class for fourth graders and a chess club for fifth graders, taught by parent volunteers.
