REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bethel-Hanberry Elementary has adopted the theme "Believe and Achieve" for the 2009-10 school year. We are continually studying our data in an effort to focus on improving the performance of all students.

With the start of PBIS (Positive Behavior Intervention and Support) Year Two, we have seen academic growth among students who have been assigned to our check in/out program. This gave us the opportunity to provide increased support for At-Risk students. We achieved Banner status from the State Department of Education for our PBIS initiatives. Additionally, we started Project LIFT which has created a fabulous mentoring program with students at Blythewood High School. Our students have grown in confidence and experienced success both in and out of the classroom.

Our highlight this year was being named both a Palmetto Gold and Silver School for the 2008-09 school year. Achieving AYP status, BHE made great academic progress within our sub-groups. Achieving notable improvement were our African-American students as well as those students served by the Free/Reduced Lunch Programs. Our Fifth Grade Math Team earned state winner at the State Mathcounts Competition.

Our school would not be successful without the loyal support of our community. Despite the budget cuts which have depleted our local funds, our students continue to be offered the very best education. Our parents sacrifice their time and talents to assist the students at our school. We are fortunate to have a dedicated PTO, SIC, and Educational Foundation who work hard to make sure we are not lacking in any educational resources.

Our school will be downsized as some of our students will start a new school next year. We look forward to maintaining our momentum as we stay "on track for success."

Mrs. Missy Hagood - SIC Chair
