SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cooley Springs-Fingerville Elementary celebrated another successful year of raising the bar for student achievement. Our school was named a Distinguished Title 1 School for 2008 for improvements in our PACT scores for at least two consecutive years and making AYP (Adequately Yearly Progress). This year we received the Palmetto Silver Award for Closing the Gap. Meeting the unique physical, emotional, social, and academic needs of every child is our primary focus. Students are provided with a highly qualified staff, as well as offered a variety of opportunities to increase academic achievement during and after school.

This year's continued implementation of the 100 Book Challenge Reading program has encouraged the daily independent reading of students at school and at home, building success for all students. Our program continues to promote a positive attitude toward being successful readers, especially for reluctant readers because students are encouraged to read at their "fast, fun and easy level." The Read with Sarah reading program focuses on working with students in small groups on specific reading skills and provides a more focused direct-instruction setting for our students. This program has been fully implemented in grades K5 through 5. Students are also provided related arts instruction in music, art, physical education, media, and technology science.

Our PTO is an active part of our school. The PTO provides support for our instructional program, recognizes student performance, honors staff members, and provided initial funds to purchase a computerized message system for parent phone contacts. The School Messenger phone system is a valuable tool for sending messages to all parents, small groups of parents or individuals. We continue to strive to improve parent involvement in our school. We are very appreciative of the commitment of our students, parents, volunteers, business partners, and staff.

The staff continues to strive to keep abreast of current brain research and apply it toward instruction for student learning. We have implemented all Math Out of the Box modules, an inquiry approach to teaching math, and plan to continue this hands-on program. A computerized Early Literacy Test is used to measure reading readiness in K and grade 1. MAP (Measuring Academic Progress) has been implemented in grades K through grade 5. Map data based on South Carolina standards continues to be used to provide information for specific instruction to small groups of students across grade levels in grades 3 through 5 and among grade levels in grades 1 and 2.

Everyone continues to work as a team for the success of our students, as the staff diligently seeks to provide them with the best educational opportunities.
