SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Goals and Objectives:

The James H. Hendrix International Baccalaureate World School faculty, staff, and community developed a comprehensive plan as required by the Southern Association of Colleges and Schools. All stakeholders participated in the development of five main goals: 1. A challenging academic environment which includes reading, writing, science, math, social studies and the arts; 2. Continuous training for teachers in content and process skills with emphasis on authentic assessments; (3. Effective use of technology; 4. Continuation of higher order thinking skills using Blooms' Revised Taxonomy; and 5. The involvement of a supportive community. Goals were written to address specific school needs and all components of the district's education plan. The School Improvement Council, along with school personnel, regularly reviews the progress made in achieving these goals.

Accomplishments:

Hendrix Elementary School was named an International Baccalaureate World School in February of 2010. This distinguished honor was bestowed as a result of the dedication and hard work of our faculty and staff. Hendrix became the first public school in Spartanburg County to be named a Primary Years Program (PYP) school, the 12th in the state and the 319th in the world! We are pleased to be able to provide a global and world-class education for our students! All classrooms within the building were outfitted with Promethean Boards to provide hands-on technology for the students. Plans are being made to provide each classroom with Active Votes, an easy and quick assessment tool for teachers to use to gauge understanding among their students. Students continue to show tremendous growth in Measures of Academic Progress (MAP) as well as the PASS test. We are proud that our students and teachers made Adequate Yearly Progress (AYP) during the 2009-2010 testing window. AYP specifies that the statewide target is met for all students and for each of our twenty-seven sub groups of students: racial/ethnic, economic, disability, limited English proficiency, and migrant status. Our school was recognized by the Office of the Governor as an Exemplary Reading School and Hendrix students are in the top twenty-five reading schools in the nation according to 100 Book Challenge steps read.

Plans for the Future:

Hendrix International School will use a systematic process to build vision and goals for the 2010-2011 school year. Data will provide us the base for powerful and valid decision-making to benefit our educational programs. A school-wide action plan will be developed to address the needs in the content areas while still meeting the social, emotional and physical needs of our students. Our 4K program will maintain its excellence to meet the educational and social needs of our youngest students. The PYP model of instruction will continue to be integrated into our curriculum to allow research and hands on learning for all students. The active involvement of the PTO helps provide integral programs that benefit all children. The high expectations and expertise of the administration, faculty, and staff will enable all students to be successful learners.
