REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cades-Hebron Elementary teachers and students worked very hard this school year. With the assistance of the Title 1 Facilitator and the District Instructional Coach, the teachers were able to implement the Anderson 5 Curriculum and the South Carolina State Standards during the 2009-2010 school year. This curriculum is standards-driven and designed to address the diverse learning needs of our students. Teachers continued the implementation of effective writing and problem solving strategies across the curriculum.

Cades-Hebron also provided a number of instructional programs that provided academic assistance to students who were not meeting their academic goals. Some of these programs were 21st Century afterschool program, Successmaker Computer Assisted Learning, Academy of Reading, Academy of Math, and in-school tutoring. These lessons and instructions were aligned with the state standards as well.

TBS (Therapeutic Behavioral Services) teachers, as well as the Child Development Educational Pilot Program (CDEPP), entered into its third year and showed much academic promise for our 4 and 5 year olds. In addition, a fulltime guidance counselor was provided to assist with academic, social, and personal problems.

Other programs and activities used to help to build our children's character and prepare them to survive in a constantly changing and diverse world included the Parenting Program, the CHES Pageant, Oratorical Contest, Fall Fest, Field Day, The Art Program, and Spelling Bee. Our Foster Grandparents Program, through the local Vital Aging Commission, allows our older generation to pass knowledge and character to our younger generation.

Cades-Hebron would like to thank our parents and community members for the effortless support that they have shown us this school year. We could not have accomplished many of our goals without them.

Along with our faculty and staff, we will continue to provide effective academic instruction for all students at Cades-Hebron Elementary School. We look forward to your continued support as we continue to provide self-reliant and productive citizens by providing learning opportunities by working with the home and community.
