SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dear Warrior Family and Friends,

2009-2010 was an exceptional year at R.B. Stall High School. For several years now, Stall has had a laser-like focus on school improvement. While challenges have presented themselves, as they always will, we have persevered, raised expectations, and more deeply implemented best practices inside and out of the classroom to ensure that our students are achieving at higher levels than ever before. Our faculty, staff, families, community, and, most importantly, students are rising to the challenges before us, and we are making a difference. Despite some of our current report card data that shows us below where we need to be, we have made gains and shown continuous improvement in a number of areas. Our graduation rate improved the most of any school in the district, our End-of-Course Exam scores are up, and our longitudinal HSAP exit exam passage rate has improved. We take pride in the fact that numerous observers within and outside of the district have praised our students' behavior and our teachers' professionalism. Now we can also be proud of the new, state-of-the-art, multimillion-dollar facility that will serve our students for decades to come.

For the second year in a row, our Jefferson Leadership Team has taken top national honors as one of the best high schools across the country. Our Teacher of the Year was chosen runner-up out of over 3,200 teachers representing 77 schools in Charleston County School District. Our promotion rates continue to improve, and more of our students are graduating on time and ready for college, the military, or a chosen career. In 2009-2010, our graduating seniors earned more than 1.5 million dollars in scholarship money and were accepted into over 60 universities and colleges across the country. This year, we formalize a unique and exciting partnership with Boeing International and will open an Aviation Academy that will allow our students to begin a study of avionics and a variety of engineering fields. This is only a sampling of the wonderful achievements and opportunities available to Stall's students.

Please come by any time at our new location and see first-hand all that R. B. Stall High School has to offer. We appreciate your undying commitment and support of our faculty, staff, and students. R. B. Stall is a school on the rise, and, together with our families and communities, we will continue to grow and thrive in 2010-2011 and beyond.
