SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

MBHS is excited to share with you the School Report Card that provides the progress made by our school. We continue to make gains in student achievement and attendance as we reduce the number of retained students, drop-outs, and discipline referrals. More than 60% of our graduating class maintained a 3.0 GPA and were awarded more than 5.4 million dollars in scholarships. We believe that these are just a few of the indicators of OUR District, school, and community commitment to excellence.

Our theme for this year was "Lead Out Loud" in order to encourage our students to make good decisions and to lead by example. The 9th grade academy, "The Hawk House", continues to exceed expectations in all areas of 9th grade end-of course results. The READ180 and MATH360 programs also assisted in making significant differences in student improvement and growth.

MBHS continues to use data to assist with scheduling and identifying our at-risk population. Our curriculum specialist and teachers utilized creative scheduling throughout the year for student academic support. Our teachers continue to give a minimum of one hour per week for tutorial services and after-school attendance make-up is offered for students needing to complete missed instructional time. Workshops were offered for SAT, ACT, and AP writing throughout the year by staff members. Students were also able to use an on-line SAT tutorial program both at school and at home.

Extracurricular activities are an integral part of student growth. A variety of clubs and organizations exist at MBHS including Model UN, Academic Team, NJROTC Drill Team and Color Guard, Key Club, National Honor Society, and Beta Club. Our fine arts program represents approximately 25% of our student body in the areas of band, chorus, art, and orchestra. Our varsity athletic teams continue to be strong competitors in all areas and brought home 1 State Championships in girls basketball, 1 individual State champions in wrestling, and 1 individual State champions in boys track.

School-community partnerships continue to be a strength at MBHS. Our School Improvement Council, PTSO, and Parent Volunteers play an integral role in our strategic planning. The Local Advisory Board and the MB Educational Foundation provide input concerning academic performance, parent involvement, and school-community relations. Our school clubs and organizations are actively involved in community service projects to ensure a constant connection between school and community.

We thank you for your support and for helping us in teach our students to lead by example...especially when no one is looking!
