SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

James F. Byrnes High School is proud of our many accomplishments during the 2009-2010 school year. Our school is clearly focused on the key practices of the High Schools That Work model, which promotes rigor, relevance, and relationships. We have very high expectations for our students to graduate on time and successfully transition into higher education.

Byrnes High School received two Palmetto Silver Awards for overall academic achievement and closing the achievement gap. This is the second year in a row that our school has received both awards. Our students were awarded for the highest ACT scores in Spartanburg County. The academic team won a regional contest, competing against other schools across the state. The Technology Student Association captured first place in the state contest once again. Our entire school and community are very proud to see our students excelling in academics.

Our students also excelled in the arts. The choral department led a festival in the new District Five Fine Arts Center showcasing hundreds of students in grades four through twelve. The choral and drama departments performed the school's first musical, The Putnam County Spelling Bee, in the Fine Arts Center. The Rebel Regiment was named USSBA Mid South Regional Champions. Byrnes Indigo was WGI World Championship Scholastic Open Finalist.

The Rebels were on fire again in the athletic world celebrating an Upper State Championship in baseball with a very young team. We plan to go all the way next year! In football we won the Region 1 4A Championship and maintained our national rankings throughout the season. The JROTC unit was awarded the Distinguished Unit Award by the Air Force.

Our students gave back to the community which has afforded them so many opportunities. Leadership Byrnes led our school to exceed our goal of \$26,000 raised through our Relay for Life campaign. Since 1999, our school has raised almost \$150,000 to help fight cancer.

The faculty and staff continue to work tirelessly to develop and maintain programs designed to ensure student success. Our enrollment continues to increase in our dual credit program with SCC. All stakeholders are reaping the benefits of our Advisor/Advisee or REBS program. Every student at Byrnes had an Individual Graduation Plan meeting this year with a parent and/or mentor to help them choose career clusters and personal pathways for success.

Byrnes High School celebrates another year of tremendous success. We are very proud of our students, faculty, staff, parents, and community. Byrnes High School values its collaborative partnership with parents and the community in preparing our students to be successful in an ever-changing world.
