REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kingstree Senior High school is located in a small, rural town of Kingstree, South Carolina. Our mission is to provide all students with a challenging curriculum, highly qualified teachers, and safe environment which are conducive for learning. We provide our students the opportunity to become productive citizens in a global society.

We made significant progress during the 2009-2010 school year towards achieving the goals set. Our school has a rich curriculum that provides every student an opportunity to be successful. We offer twelve career clusters and twenty-six majors within those career clusters. We foster parent and community support to meet our continuous school improvement efforts.

Kingstree Senior High School is a comprehensive school that implemented several initiatives to improve student achievement. The school is a High School That Works, provided shadowing and transiting opportunities, an afterschool program, Saturday school, credit recovery, a Re-Do policy, and Power of "I" to provide students the opportunity to graduate on time.

Our challenges were parental and community involvement in a meaningful relationship. We plan to increase our efforts to establish a PTSA and Concern Community Group (CCG) for the 2010-2011 school year.

Kingstree Senior High School has a committed staff that works diligently to meet the needs of our students. We acknowledge and thank our students, who appeared to be motivated with a new profound respect for their school. We are grateful to our parents and community leaders for their support.

Dr. Fred P. Moore, Jr., Principal
Ms. Amita Khurana, School Improvement Chair
