Report of Principal and School Improvement Council

The mission of McColl Elementary/Middle School is to create a learning community committed to developing lifelong learners and school excellence. We are guided by seven beliefs: 1) Everyone has the potential to learn, 2) Human beings have worth, 3) Learning needs to be safe and positive experience, 4) Rights begin with respect and responsibility, 5) Education is a shared responsibility, 6) Excellence is worth the effort, and 7) Progress requires change.

McColl School serves, through an extended school year calendar, approximately 772 students in grades Pre-K through 8 with a certified staff of 60.5 and 30 support personnel.

McColl School continues to focus on improving its instructional program. Focused instruction in the core subject areas, which incorporates best practices, remediation, and enhanced learning experiences, offers students opportunities to succeed. Instruction is based on the State Standards, with a strong focus on reading improvement. Corrective Reading, Success Maker, and Waterford Programs supplement the regular curriculum. The Teacher Advancement Program, TAP, has provided many hours of staff development in best teaching practices, observations for instructional improvement, and Master Teachers for modeling and field testing. MAP testing in grades K - 8 has provided teachers with data to identify students' strengths and weaknesses. A Guidance grant has provided additional services in the elementary grades.

A Benchmark initiative has been implemented throughout the District in grades 2 through 8 in ELA and math. Identified subject area indicators from the State Standards are taught and tested at ten-day intervals to determine mastery as the need for re-teaching.

A strong Parent Involvement Program at McColl School provides an essential component to the instructional focus. Not only is it our goal that parents feel welcome, but also that they receive the necessary training and support to help their children succeed.

The school is accredited by the Southern Association of Colleges and Schools. The school continues to meet all instructional standards of the State Department of Education. The status of the school is a "warned" accreditation rating for 2009 - 2010.
