Report of Principal and School Improvement Council

The 2009-2010 school year was a time of growth for Lockhart School. As a result of a school consolidation, Lockhart School lost its high school students and faced challenges in adjusting to the new school structure. However, after the third year as a K-8 school, Lockhart School is emerging as a strong entity in its own right.

Faculty and staff continued their efforts to address the academic, social, emotional, and physical needs of the students. Academy Time, a thirty-five minute class with fluid and flexible scheduling, targeted specific academic needs of students. In three-week rotations, students participated in an intensive study and remediation of a particular skill in all core academic areas. During Academy Time, students also had the opportunity to participate in enrichment studies such as art, creative writing, and forensics. Data from MAP, PASS, district math assessments, and benchmarking tests were used to determine individual student needs and to drive instruction in both the regular classroom and in Academy Time. We also continued to offer character education and a conflict resolution program to nurture the social and emotional development of our students.

Lockhart School met Adequate Yearly Progress status. We are particularly proud of our eighth grade honors students. One hundred percent passed the EOC exam in both Algebra I and English I. In Algebra I, fifty percent of the class made a perfect score. On the PASS test, 85% of our elementary schools earned a score of "met" or higher in English Language Arts and 87% of our middle school students earned "met" or higher in mathematics.

In conclusion, the Lockhart School family will continue to hold itself to the high standards of the past while looking forward to the future.
