REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Since 1967, Southwood, smallest of the three Anderson 5 middle schools, has been considered a community school and, as such, is an integral part of the community. Parents, grandparents, and the community at large feel comfortable visiting our school. Southwood is known as a school where students are valued and the concerns and opinions of parents are important. The mission of Southwood Middle School is to prepare students to be citizens who demonstrate social and personal responsibility, cultural awareness, physical fitness, academic competence, and a desire for lifelong learning by providing challenging and diverse educational experiences in a safe environment.

Our faculty and staff are working hard during and after school in an effort to educate and assist our students in becoming effective, contributing members of society. During the 2009-2010 school year, Southwood was named a national AVID Demonstration Site, and we were recognized as a School to Watch through the National Forum for Middle School Grades. As a result of these distinguished honors, we now host visiting educators from across the state and nation.

Our challenges are to continue efforts to emphasize reading and writing instruction in all content areas, to coordinate the academic focus of the before-school and afterschool programs, to increase instructional time for low-performing students through creative scheduling, to increase the use of technology by teachers and students to enhance instruction, and to provide staff development to increase teacher proficiency in the use of a variety of instructional practices. Our Literacy Coach has worked with teachers and students to improve and implement effective strategies to enhance the instruction of reading and writing across the curriculum. Our Math Coach works individually with teachers and also conducts staff development to enhance instructional and assessment practices. Southwood was named a Title I school at the beginning of the 2005-2006 school year. Title I funds have helped to improve the technology that is available to students and teachers at Southwood.

We know instinctively that we are a team – students, faculty, staff, parents, and community – that supports each other, regardless of the obstacles, in order to achieve our goals. We hold the distinguished honor of receiving the Silver Flag Award from the state for our continued academic improvements six out of the last seven years. We are truly a school of promise! Our motto says it all: "We're Soaring to Greater Heights."

Nori Gale, SIC Chairman
