REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Denmark Olar Middle is continuing its pursuit of academic excellence. We are indeed excited about our school receiving full SACS accreditation without advisement. Special thanks to our Parent Teacher Organization, School Improvement Council, and staff for their outstanding support in making this possible.

Several new strategies were implemented this year to assist us in improving student achievement, such as additional math and reading pull-out sessions, one-on-one tutoring, Reading Academy, Math Academy, Academic Mentoring Program, and Saturday sessions. A structure curriculum is still in place and teachers are using data, support documents, and other quality resources to actively engage students in rigorous content-area activities. Denmark Olar Middle continues to offer a quality afterschool program that provides additional standards-based sessions to assist in closing the achievement gap.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
