REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

College Park Middle School is home to approximately 680 students in grades 6-8. During the 2009-2010 school year, we continued to see a school that is focused on student learning and improved student achievement. The commitment, hard work, and dedication of our entire school family have helped us reach new heights.

College Park Middle continues to focus on effective and meaningful reform of middle grades education. Our staff has worked diligently on implementing the 10 key practices of Making Middle Grades Work (MMGW). We have seen our efforts pay off in numerous ways. CPM's commitment to academic excellence has resulted in a rise in various academic indicators such as MAP, PASS, and EOC test scores. During the 2009-2010 school year, our students, once again, were assigned an advisor with whom they worked to set goals. Our students will now work with the same advisor for three consecutive years in an effort to give each and every student that one person they can go to if they need help or assistance throughout their middle school years.

We also continue to implement Professional Learning Communities. Our teachers have done an outstanding job of developing assessments that are geared at determining student mastery of standards and concepts. Our teachers have also worked to help students develop the means to evaluate their own mastery of standards as well as their academic progress.

Our students, staff, and school continue to be recognized for their outstanding work and accomplishments. CPM students earned various accolades and awards. Eleven students earned Junior Scholar status and two others were named Dukes Tip Scholars. We have 18 students named to All-County Chorus, 9 for All-County Band, 7 for All-County Beginner Band, and 7 for All-County Orchestra. Our Level II Quest team won first place at Trident Technical College's annual academic competition. Our Science team took first place and the math team finished in second place. Our school was one of 124 schools statewide to be recognized as a South Carolina Red Carpet School!! We were also recently named as a Positive Behavior Intervention and Supports (PBIS) Exemplar school. We are one of only 19 schools in the entire state that received this designation.

College Park Middle School teachers continue to be recognized for their outstanding work and leadership. Kelli Roberson was named the Berkeley County School District Teacher of the Year!! CPM has had a finalist for District Teacher of the Year for four consecutive years. Finally, seven additional teachers have earned National Board Certification. This brings CPM's total to 10! We are proud of our students, staff, and teachers!! We look forward to continued growth and progress.
