END OF COURSE TESTS - 2010

% of students scoring 70 or above on:	Our Middle School	Middle Schools with Students Like Ours
Algebra 1/Math for the Technologies 2	75.0	87.8
English 1	100.0	89.8
Physical Science	0.0	42.1
US History and the Constitution	N/A	N/A
All Subjects	73.5	87.5

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with learning environment	38.2%	59.8%	74.4%
Percent satisfied with social and physical environment	52.9%	65.7%	75.0%
Percent satisfied with school-home relations	8.8%	68.2%	76.9%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Morningside Middle School (MMS) became a pioneer among South Carolina's public schools this year by creating two single-gender learning environments under one roof. The female academy is called "EXCEL Academy"- Excellence in Creativity and Educational Leadership. The male academy is called "ARMS Academy" - Advancement and Refinement of Men for Society. Students continue to have opportunities to participate in co-ed activities like tutoring, academic competitions, and incentive socials. Exploratory teachers teach both males and females at different times during the school day. The research on single-gender education is very positive, and we have seen great results.

Morningside Middle School (MMS) continues to make systemic progress. Our accomplishments are both academic and behavioral due to the programs we have put in place, such as: literacy and math support classes, student intervention committee (CORE team), and the Positive Behavior Intervention Support (PBIS). We have maintained a strong School Improvement Council (SIC) and established a Parent Teacher Association (PTA). Curriculum and instructional support was sustained with our ongoing professional development. Most specifically, teachers benefited from our collaboration with Johns Hopkins University Talent Development Middle Grades Program, which provides our teachers professional development in the implementation of reading strategies best suited for struggling readers.

This year's major school focus is literacy. In order to support our efforts to raise the reading level of every student, we implemented reading courses four days per week. In the fall, all of our students were administered the AIMS Web Oral Reading Fluency assessment to determine individual needs. Three major levels of intervention were needed in order to address the needs of all of our students. Students were then assigned to appropriate reading interventions in order to help increase their fluency and comprehension. We also added a reading support class as an addition to grade level English Language Arts class. Students who need assistance in math are also able to take a math support class in addition to their grade level math class.

While we continue to strive for academic success, Morningside Middle School (MMS) also works to develop the whole child. Each student is matched with an adult staff member as part of an advisory program wherein students work on character traits, study skills, organization, and building relationships. We are proud to offer over 20 clubs and activities for students. We promote leadership by offering a leadership class and a well-rounded athletic program that encourages healthy competition. At MMS, Excellence is our Standard!

Ms. Kala T. Goodwin, Principal, EXCEL Academy
Dr. Joseph Williams, Principal, ARMS Academy
Mr. George White, School Improvement Council Chairperson
