REPORT OF PRINCIPAL AND

SCHOOL IMPROVEMENT COUNCIL

CE Williams Middle School's Report Card demonstrates an understanding of student achievement and successes. It highlights the school's data, needs, and happenings. We pride ourselves on providing each student with a high-quality classroom instructor and a safe and orderly school environment. We utilize the CCSD Coherent Curriculum, MAP Testing, Saturday Academy, PBIS, and the recent addition of Study Island, a comprehensive web-based program that fosters critical thinking and Corrective Reading and is a very intensive reading program designed to reach students who score in the 10th percentile in reading. CE Williams prides itself on infusing the arts with a rigorous course of study for all students. We are offering Algebra, Keyboarding, and, next year, Spanish for high school credit. Our courses are being taught by 9 Nationally Board Certified teachers with 1 more completing the highly demanding and rigorous program this year. We offer GT through an elective course, and it is infused in honors courses that are designed to both challenge and reward high-flying students. The school has a nationally recognized Robotics program and Science Decathlon team with top prizes in competitions around the nation. Both programs have competed at the national level, and Robotics has competed at the world level in two consecutive years. We are fortunate to have received significant assistance with updating books in the Media Center. We received enough funding to remove thousands of outdated books and replace them with new, exciting volumes. We offer one of the best arts programs in the district. Students can select from Drama, Chorus, Band, Strings, and two differing Arts. Our highly effective PBIS program (Positive Behavior Interventions and Support) is designed to encourage students to remain focused and well-behaved by praising the desired outcome when it is demonstrated.
