REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cario Middle School continues its tradition of excellence in academics, arts, athletics, and extracurricular activities. Cario is a highly successful middle school with a large campus, a small-school atmosphere, and huge opportunities for students. On the 2009 state school report card, Cario earned an "Excellent" rating and met all annual yearly progress (AYP) goals. Our students have shown growth in reading, mathematics, and language usage through their Measures of Academic Progress (MAP) scores and have also consistently demonstrated mastery of rigorous academic standards. Cario provides a quality honors program at all grade levels, as well as a structured system of interventions for students who need academic assistance. Students have opportunities to earn high school credits and may take exploratory courses such as Spanish, pre-engineering, health, drama, and fitness. Cario has one of the highest percentages of students identified as gifted and talented (GT) in CCSD. Cario students competed in academic challenges such as the SC Science Olympiad (2nd place in the state), American Mathematics Competition, Math Counts competition (1st place in the region; 4th place in the state), Mu Alpha Theta Math Competition (1st place), CCSD Spellbound Spelling Bee, Quest (1st place in level 2 math; 3rd place overall), and National Geographic Geography Bee.

Cario students excel in both the arts and athletics. The Cario Chorus was named 2010 SC Choral Festival State Champions, and Cario is the only school in South Carolina to have students selected to every regional and national honor choir since 2000. Orchestra students received superior ratings at the SC Concert Festival. Cario's band received the state's Outstanding Performance Award for the ninth consecutive year and earned superior ratings at the SC Concert Festival. Visual artists have earned numerous awards, including two first place ribbons at Trident Technical College's Quest competition. Drama students were involved in several productions during the year. Cario teams competed in football, volleyball, cheerleading, soccer, tennis, swimming, golf, baseball, and softball. Student council sponsored multiple community service projects, and the yearbook staff produced a high-quality publication.

The Cario staff has participated in on-going professional development (PD) in order to meet the needs of our students. PD focused on active engagement in the learning process, implementation of the CCSD Coherent Curriculum, an advisory program for students, instructional technology, positive behavioral interventions and supports, and differentiated instruction based on students' needs. Cario's staff includes eleven members who have earned National Board Certification and ten teachers with GT endorsements. Forty-one percent of faculty members hold advanced degrees.

Cario Middle School uses the Making Middle Grades Work model to implement positive changes in our school. We recognize the importance of high expectations, rigorous academics, and a safe, supportive learning environment for all students. As partners in education, our faculty and staff, parents, and community members support and actively participate in making Cario Middle School a model for educational excellence.
