REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As River Oaks Middle School completed our 3rd year, we are well on our way to creating a dynamic personalized learning environment for our 750 students. We are dedicated to maximizing the academic, creative, athletic, and emotional potential of each student. Our support staff of administrators, guidance counselors, psychologists, therapists, and teaching assistants enable us to care for our students and meet their needs. River Oaks Middle School offers a comprehensive and challenging curriculum that advances the learning for all students. Gifted and talented classes are available in math, science, language arts, and social studies for each grade level. Utilizing available technology resources, we strive to help our students learn and achieve more.

We forged a stronger relationship with the community through new business partnerships, community service projects, and an outstanding School Improvement Council. Our many programs to serve our students include Student Council, Early Bird program, First Priority, QUEST academic teams, leadership programs, and a successful after-school program. The addition of "clubs" strengthened our knowledge of our students and provided a relaxed and creative way for teachers and students to work together. Our students enjoy many opportunities to solidify their learning through the arts. ROMS offers classes in piano, guitar, dance, physical education, band, strings, chorus, visual art, and more. The Bobcat Band received a "superior" rating!

After-school activities such as dances, field days, and competitions keep the energy high, learning fun, and support the total development of the student. The middle school athletic program instilled pride in our school, as we cheered the Bobcats to victories in basketball, wrestling, volleyball, football, softball, and baseball.

Our challenges and areas of focus are to continue to forge a strong relationship with our school community. Through rigor, relevance, and positive relationships, we will meet with even greater success.

Dr. Kathy Sobolewski, Principal
Mr. Tyrone Sanders, SIC Chairperson
