REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As principal of Carvers Bay Middle School, I am extremely proud of our many accomplishments this year. We appreciate the support of our parents and community. We are also very proud of the involvement of our PTA (Parent, Teacher, Association), SIC (School Improvement Council), and our partnership with the 21 Century Program. Their dedication and commitment to our school has made a positive difference for our students.

Our students have worked especially hard this school year. We have charted continuous growth as it pertains to MAP (Measures of Academic Progress) and the use of Bench Mark data as well. Our attendance rate has remained at a commendable level for the school.

Our dedicated faculty and staff continue to be committed to improving student achievement. The implementation of Professional Learning Teams and a concentrated effort in examining student work has been a significant piece of our Professional Development for this past school term. Our staff believes that this continued effort will ultimately increase our success rate at Carvers Bay Middle School. We are also excited about offering 90 minute ELA and Math classes in the sixth grade. As well as focusing on reading across the curriculum.

In the coming year emphasis will continue to be placed on closing the achievement gap and maintaining a safe and nurturing environment. With the continued help and support of our community, parents, and staff we are able to assure our students have the opportunity to receive the very best education possible. On behalf of the entire Carvers Bay family, I want to sincerely thank everyone for making this an exceptional year for our school
