REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our vision for Bryson Middle is to be a community of learners that inspires and supports academic excellence and social responsibility. We have exemplified that vision in many ways during the past school year. First, our staff completed the second year of our Professional Learning Communities (PLC) grant that the Alliance for Quality Education awarded to us in 2008. From our PLC experience came three questions that have guided us this year in our pursuit of increased student achievement: (1) What do we want students to know and be able to do: (2) How will we know if students have gained the knowledge and skills? (3) What will we do if students do not learn? These questions framed the work of creating collaborative units that provide the foundation for a shared curriculum that is available to all students. Further, we have created benchmark tests to use to determine if students have, indeed, learned. Our 2010 School Action Plan addresses the third of our guiding questions.

The 2009-2010 school year was very positive. BMS students gained recognition this year at a variety of competitions. The choral department presented their annual musical production in the fall. Twenty-three choral students participated in All County Chorus and Spring Sing; also, four students were chosen for All State Chorus. Our strings students earned an Excellent rating at the South Carolina Music Educators' Association Concert Festival. Two band members were chosen for the Regions Band, five made All-County Band, and ten students scored a Superior rating at the Solo and Ensemble competition. Two BMS students received Honorable Mentions in the State Reflections Contest. The Robotics Team won a First Place in the State Log Robotics competition. Our school also had thirty-four Junior Scholars this year.

We continued our sports program in which we fielded teams in soccer for girls and boys, boys' baseball, girls' softball, basketball for boys and girls, and girls' volleyball. Our volleyball team won the Greenville County Schools Championship which is the first volleyball championship at Bryson Middle.

We feel we have great students, parents, and teachers, as well as solid community support. We will continue to focus our efforts on helping each student reach his or her potential.
