REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brewer Middle School of Greenwood School District 50 serves a diverse population of learners from multiple elementary schools in our district. We strive each day to be a "Community of One". We serve approximately 700 students in grades six through eight. Brewer offers a traditional educational program focusing on Math, ELA, Science, and Social Studies. Each of our students takes related arts classes which consist of multiple opportunities as well. We also offer single gender classes to our students in the eighth grade. Brewer Middle School is also home to the ACTS Program. ACTS is our Arts, Communication, and Theatre School. This "school within a school" model provides artistically talented students with an academically challenging arts integrated curriculum.

Not only does Brewer offer an outstanding academic program, we also offer multiple opportunities for our students to excel in extra curricular areas. Our athletic teams had an excellent year winning two conference championships and two city championships. Our Robotics Team won multiple awards as well as our Bulldog Cheerleaders. Our ACTS program, chorus, voice, dance, band, strings, guitar, and drama groups provided numerous performances that were outstanding throughout the year.

Academically, Brewer Middle School had a banner year. Nine of our students were recognized as Duke Tip Scholars, three students placed (1st, 2nd, and 3rd) in the Picasso Art Project in our region; we inducted 63 new Beta Club members, and we had 8 Junior Scholars. We had two students selected to attend the South Carolina Governor's School for the Arts. We also had students win essay contests, Literacy Alive T-shirt contests, and other outstanding awards.

We are very proud of our accomplishments this year and we attribute our successes to our dedicated faculty and staff, our Parent Teacher Organization, an active School Improvement Council, excellent district level leadership, a supportive school board, and parental and community involvement.

Dr. David Henderson – SIC Chairperson
