REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Green Sea Floyds High School made significant strides in 2009-2010. Our senior class of sixty-nine graduates accumulated an impressive \$1.7 million dollars plus in scholarships that included seven LIFE scholarship recipients. Our graduating class has a multitude of aspirations which range from attending two-year colleges, attending four-year colleges, seeking immediate employment, and joining the armed forces. The administration, teachers, and staff worked diligently to ensure our students are properly prepared to compete in a global society. Teachers used Measures of Academic Progress (MAP) data to drive instruction addressing student weaknesses while capitalizing on their strengths. Middle school students made impressive MAP gains which indicate future academic success. Additionally, all ninth and tenth grade students were served in yearlong English and math classes in an effort to afford them daily, intensive, and explicit standards based instruction to fully prepare them for high stakes assessments such as HSAP and EOCT. The US News and World Report recognized GSFHS as one of "America's Best High Schools" for the second year in a row. GSFHS was also recognized as a gold winner for Closing the Achievement GAP and Performance Gap divisions. Several students participated in on-line courses and our athletic teams enjoyed many outstanding moments. Our continuous goals involve increasing graduation rates and improving student achievement and attendance. The school has worked hard to make 2009-2010 a successful year and anticipates even greater results in 2010-2011.
