PASS PERFORMANCE

Our School Middle Schools with Students Like Ours Middle schools statewide

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

END OF COURSE TESTS - 2010

% of students scoring 70 or above on:	Our Middle School	Middle Schools with Students Like Ours
Algebra 1/Math for the Technologies 2	100.0	90.6
English 1	N/A	86.2
Physical Science	N/A	57.5
US History and the Constitution	N/A	N/A
All Subjects	100.0	88.1

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We have had another productive year at Johnakin Middle School. Our school has made tremendous progress towards our goals.

School Report Cards for 2009 were issued and sent home by students on April 16, 2010 across South Carolina. We are very proud of our rating, and we are proud of our improvement over the past two years. Also, the 2009 rating represents the best report card rating in the history of Johnakin Middle School! This improvement represents a concentrated effort to create a positive learning environment with a qualified and dedicated staff.

Our Algebra One class did a wonderful job as all 25 students passed their end-of-course exam in May with 4 perfect scores and 8 students making an A. We are proud of their efforts and excellence in mathematics. Also, our students participated in the 55th Annual Sand Hills Regional Science Fair at Francis Marion University with 17 students receiving awards, including four gold medal projects and four silver medal projects. Seven of our students qualified for Junior Scholars. We are extremely proud of these students and their fantastic accomplishments.

Our school continues to reach out to the community as we partner with local businesses. Through these partnerships, we have offered skating parties, coupons, and door prizes for positive behavior. Also, our students have worked with the community to provide can goods for the people of Haiti, care packages for our soldiers serving in Afghanistan, and money for cancer research. We are very proud of our students and their choices to make a difference.

Our students continue to shine in all areas of student life with star performances in athletics, drama, art, chorus, Academic Challenge, and band. Our Academic Challenge Team completed an undefeated season and finished in second place in the 2010 Pee Dee Middle Schools' Academic Challenge Tournament. Our band participated in the South Carolina Band Festival in Columbia and had many outstanding performances throughout the year. Our Beta Club represented us well at the State Convention with 54 participants and 9 National Qualifiers. Our students have shown an all-around effort in many different areas.

We face numerous challenges with budget cuts, bigger class sizes, and an uncertain economic future. However, we know these challenges will make us stronger, and we see them as fantastic opportunities. We are looking forward to another productive year as we continue to PUSH – Proceed Until Success Happens!

Jason R. Bryant, Principal
Dana Rogers, SIC Chairperson
