REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bennettsville Middle School is a Title 1 School and a Palmetto Priority School. We currently serve 393 students in grades 6-8.

Bennettsville Middle School has shown increases in student achievement, as reflected in TAP (Teacher Advancement Program) value added and MAP (Measures of Academic Progress) scores. Teacher quality still continues to be positively impacted through weekly clusters, where teachers learn instructional strategies designed to increase student achievement through implementation in classrooms. The school's value added score for 2008-2009 was a "5"; an increase from a "3" for the 2007-2008 school year. A value-added "5" equals to 2 or more standard errors above an academic years growth!

During the 2010 spring administration of MAP, an average of 50% of the students met their target growth scores in reading and math; an increase from an average of 38%.

All schools in Marlboro County administer ten-day assessments to students. Students are expected to score at least 80% on these tests. Incentives are provided by Bennettsville Middle School to reward students who achieve this goal.

Bennettsville Middle School has been designated as a Turn Around School for the 2010-2011 school year. We will be known as the BMS of math, science and technology. Many new initiatives have been planned to help us improve student achievement.
