REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mid-Carolina Middle School had another successful year! The staff strived to contact all parents to provide the best education possible for all children. We implemented the Roll Call for struggling students in the areas of academics and behavior. Transition Nights for rising 6th, 7th and 8th graders were held in the spring to assist parents with new expectations. An end of year Promotion Ceremony was held for 8th-grade students entering high school next year. For the second year in a row single-gender classes were included in grades 6 through 8 in the core subject areas. An enrichment period continued to be implemented for every student to work on problem-solving strategies as well as enrich the four core areas. Professional development for the staff included integrating literacy across all areas. There was an intensive move to provide better assessments by training the staff in the Internal Instructional Review Process. The school also continued to provide after-school tutoring and to implement practices from the Making Middle Grades Work Initiative as well as the district-wide Working on the Work Framework for creating engaging lessons for students. We continued our previous school-wide goal to increase communication from school to home by utilizing a daily agenda as a communication tool, the school Alert Now message system, improving our school website and sending home a monthly school newsletter. The school also began increasing communication in the community by sending the school newsletter to all local churches. Community Service Projects included: Relay for Life, St. Jude's, American Heart Association, Pets Project, Operation Christmas Child, and the Manna House Canned Food Drive.

Accomplishments included:

Ms. Margaret Sparrow, ESL teacher, was selected as District Teacher of the Year
