REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Carver Junior High School represents excellence in education. Our students have the opportunity to excel in academics, the arts, and extracurricular activities. We utilize data to focus on the needs of every student in order to maximize their academic and social development. Carver has developed partnerships with the Boys and Girls Club, the Liberty Fellows at Converse College, and Piedmont Community Actions to offer character education, leadership development, and citizenship development in afterschool programs. During the 2009-2010 school year, we developed and implemented a literacy period in which students received 25 minutes of self-selected sustained silent reading per day. We continued to expand our Academic Achievement Academy (Triple A). Triple A is a school within a school at Carver with a rigorous curriculum that provides challenging academic experiences inside and outside of the classroom. At Carver, we have developed a student-centered academic focus that will allow all students the opportunity to be successful while receiving a high quality education.

Carver embraces the concept of building a community of learners. During the 2009-2010 school year, we continued to utilize the Teacher Advancement Program (TAP). TAP has helped us to create a collegial atmosphere in which improved instruction and student academic achievement are paramount. We also adjusted the schedule to ensure that all teachers had at least one uninterrupted period of professional development per day. Through our collaborative efforts, students are receiving quality instruction and excellent educational opportunities. We adopted the Advancement Via Individual Determination (AVID) program to create a college-going culture which encourages all students to seek educational opportunities beyond high school.

Students and teachers are recognized for their achievement at Carver. Students are recognized for academic achievement and citizenship. Students are recognized weekly for "promoting pride." We honored and recognized more than 300 students at our second annual Academic Pep Rally. Teachers are recognized monthly with the Innovative Instruction and Employee of the Month Awards.

At Carver Junior High School, administrators, teachers, students, parents, and the community share the responsibility to create an environment that promotes excellence in education. We are confident that our efforts will continue to provide an opportunity for all students to be successful.
