Report of Principal and School Improvement Council

At Petersburg Primary School, our mission is to provide all students with a strong foundation for lifelong learning. The Southern Association of Colleges and Schools accredits Petersburg Primary. Student achievement improved through the use of research-based instruction and curriculum.

All of our teachers participated in extensive professional development. These topics included: test data analysis, South Carolina Curriculum Standards in ELA and mathematics, early literacy and writing strategies, and early childhood standards. Teachers and paraprofessionals work collaboratively in teams, planning and implementing standards-based instructional strategies to improve student achievement. In order to meet the challenges as reflected by our school report card, our school will continue to engage in quality classroom instruction in both ELA and Math. Nine of our teachers are National Board Certified. Student recognition included the Governor's Reading Honor Roll, Governor's Citizenship award, Subway Art Awards, and 4-H Awards.

The PTO and the school planned various opportunities for families to visit our school. These special events included Muffins for Mom, Doughnuts for Dad, RTI parenting workshops, book fair, Family Math Night and Family Literacy Night, breakfast and lunch with your Children, and Art Shows.

Petersburg Primary is supported by our parents, businesses, and community leaders through PTO, School Improvement Council, Volunteer Program, Student Recognition Program, Title I Planning Committee, and the Arts in Education Program. At Petersburg Primary, we set high standards and have exemplary academic performance as we strive continually for excellence in education.
