District Superintendent's Report

This past year, Rock Hill Schools continued its journey on The Rock Hill Climb to reach the district's mission of providing all students with work that authentically engages them in the learning process. As a part of this journey, the district continued to address the decline in state funding for education while protecting the classroom as much as possible. This included multiple cost saving changes to our processes as well as budget reductions.

While the district administration addressed a gloomy financial picture, district staff and students continued to bring recognition to their schools and to the district. This included the S.C. Teacher of the Year, the S.C. Athletic Administrators Association Class AAAA Principal of the Year, the state's Director of Adult Education of the Year, varsity state AAAA champions, twelve schools selected for Palmetto Gold or Palmetto Silver awards from the S.C. Dept of Education for academic growth and/or academic improvement on state tests, National Title I Distinguished School for Closing the Achievement Gap, National School to Watch Middle School, middle and high school students state and national awards in National History Day competition, varsity volleyball Upper State Champions, Upstate School Resource Officer of the Year, three district partners selected as S.C. Board of Education Outstanding Volunteers, two high schools placing in top three in state marching band competition, two high schools recognized for ACT/SAT Performance Improvement, first school in S.C. to earn the U.S. Environmental Protection Agency's Energy Star Award, S.C. Council for Exceptional Children General Educator of the Year, S.C. Foreign Language Teachers' Association Teacher of the Year, National Recognition for the "Back the Pack" program, middle and high school students in region and All-State bands, orchestras, and choruses, top awards in region and state competitions in journalism, technology, and art, and more than \$20 million in scholarships to the class of 2011.

Our district will continue to hold dear our professional code which states that we will put students first, nurture relationships, work together for a shared vision, grow professionally, and continuously find ways to improve while continuing to learn, grow, connect, and thrive.

Dr. Lynn P. Moody
