REPORT OF SUPERINTENDENT

In spite of budget reductions of 47 positions and the implementation of staff furloughs during the 2010-2011 school year, the Fort Mill School District continued to provide outstanding educational opportunities to the students of the district.

School districts in South Carolina operated during the 2010-2011 year at funding levels equivalent to those of the late 1990's. In total, \$2.5 million was cut from the previous year's budget. The cuts were addressed through reductions in staff, travel, equipment budgets, and employee furloughs. In addition, the district began the year with over 400 new students than the previous year.

In spite of the challenges associated with the decreases in funding and increases in student enrollment, the district received an Excellent rating on the state report card. This rating is based primarily on gains in student achievement as measured by state and national tests. The District received full accreditation for a five year term from the AdvanceEd Accreditation Commission on September 29, 2010. Individual and school awards were too numerous to mention, but the following deserve recognition: The Nation Ford High School Band won the state AAA marching championship and also were selected to appear in the Macy's Thanksgiving Parade in November, 2011; the Fort Mill High Boys Swim Team were state champions; Brian Peterson of NFHS and Sam VanBuskirk of FMHS were state champion swimmers; the FMHS Girls Cross Country Team were state champions; the NFHS Girls Volleyball Team were state champions; Kevin Ketner of NFHS was state cross country champion; FMHS wrestler Nick Sinicrope and NFHS wrestler Stewart Snodgrass were state champions; A. J. Leitten was a national wrestling champion; the FMHS Lacrosse Team were state champions; the NFHS Women's Softball Team were state champions; and the Archery Team at Springfield Middle School were state champions for the second consecutive year.

Even though we face additional financial issues as we go forward, the School Board, the administration, the teachers and staff pledge to continue to provide a quality educational program to our constituents. In fact, we developed a three-year spending plan to prepare for future obligations, including the opening of the elementary school in the Tega Cay area. As always, we will focus our resources at the classroom level. Thank you for your past support and the district looks forward to continue to work with our community in ensuring that we adhere to the motto of, "Children First."
