REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Fuller Normal Charter School started the school year with a name change as well as a change in Administration as well as some faculty and staff changes. The new name of our school is the Legacy Charter School. We continue to measure our success and monitor student progress based on summative and normative data. This year, The Legacy Charter School Community was dedicated to outstanding and shared vision and core values for our school.

Teachers and Staff at Legacy Charter School, are committed to the wellbeing and the success of our children and our school. The following is a synopsis of our efforts this school year.

- This year brought us our PASS results from 2010. The faculty at Legacy Charter School saw the results as an opportunity to talk about our students and ask ourselves what we might do to improve our results (our school's rating was At-Risk (not meeting AYP). As a result at faculty meetings, we were able to highlight some major data trends.
- Staff members participated in school profession development activities which focused on ELA and Mathematics, Harriett Ball (FearLESS Learning) was introduced to faculty and it has helped in improving both teaching and learning. Response to Intervention training at the elementary level was implemented.
- The MAP Assessment measured student progress over time. It assisted us in our work to know the strengths and the challenges of our children.
- The Middle College became a part of our high school. We had one student in our ninth grade class that to take a college class for credit.
