REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As the oldest school in Richland School District Two, Dent Middle School has a long history of excellence, and we continue to pride ourselves on the success of our students and faculty. We feel the 2010 – 2011 school year was exceptional. Rallying around our theme, “One Team, One Dream,” we unified our school and positively transformed the school culture. We look forward to an even better year in 2011 – 2012.

Our students continue to shine and boasted multiple awards and commendations. Our Blue Diamond MATHCOUNTS! Team won the state championship for the third consecutive year. Our eighth graders performed exceptionally well in the regional science fair and received several first place awards. In addition, we had over sixty students recognized as Junior Scholars, and several were recognized by the Duke Talent Identification Program. We continued to perform well in the arts, as well. Our symphonic band received a superior rating at the South Carolina Band Director's Association competition. Several students were awarded superior ratings at Solo and Ensemble Festival and were selected for All Region and All State Bands. As a result, Dent's bands once again received the coveted Outstanding Performance Award. The orchestra and chorus also had a banner year. They both received superior ratings at their respective competitions. Dent's literary magazine, SHINE! was awarded Best South Carolina Literary Magazine.

Our faculty and staff had a great year, too. Three teachers were recognized as receiving National Board status, and we are home of the 2010 South Carolina Association of School Administrators' Principal of the Year. We received professional development in several areas and continue to explore effective strategies to increase student engagement in the classroom.

We take exceptional pride in the strength and diversity of the programs we offer, of the quality of our teachers, of the participation of our parents, and especially of the accomplishments of our students. We will continue to demonstrate a committed effort toward communicating our school's vision and values, improving student achievement, and exhibiting pride in accomplishing our goals. The 2011 – 2012 school year promises to be one of continued growth and successes.
