Report of Principal and School Improvement Council

Kindergarten plays a unique role in a child's educational experience, serving as a transition from home or pre-school experiences to formal schooling. Southside Early Childhood Center provides the kindergarten experience that is critical in establishing positive feelings about coming to school and the child's view of self as a capable learner. The environment at Southside Early Child Center supports children's natural disposition for learning. Our students are encouraged to dream, to imagine possibilities and to strive for excellence. The foundations for family learning and involvement in the child's education are supported and welcomed at our school.

This school year has been an exciting and rewarding experience for our students, parents, faculty and staff. Collectively, we enjoyed the honor of receiving an excellent grade on the school report card. Similarly, several members of our faculty and staff received individual recognition for their outstanding work: Mrs. Paula Alvarez received our school's Teacher of the Year award and Mrs. Nakeisha Lacy named our school's, district's and Pee Dee area Distinguished Reading Teacher. She presented her literacy exhibit at the South Carolina International Reading Association Conference in Myrtle Beach, S.C.

The PTO raised funds for playground equipment and items for school beautification. Through those efforts each teacher received big books and money for classroom supplies. The PTO and Title One sponsored our annual Father-Daughter Sweetheart Dance and Mother-Son Dance. Speakers shared parenting and reading tips for the parents at both events and each parent received a book to share with their child.

Our students are recognized for exhibiting good character traits through our Terrific Kids program and academically with making the Principal's Club. Our students are challenged to do their best in everything.

Southside Early Childhood Center is committed to teaching in ways that are consistent with the needs of young children as learners. We believe that learning environments and instructional strategies should consistently provide age, individual, and culturally appropriate experiences.

Southside Early Childhood Center is a community where children learn and grow. It is a place where "Children Come First".
