Report of Director and School Improvement Council

Students attending The Aiken County Career and Technology Center and completing four or more credits in one skill area are designated as completers. This is a major accomplishment for these students, and with many completing national certifications in their specific area of training, these students are well on their way to entering the workforce as confident, productive citizens. This year 133 students received the distinction of being completers in their chosen fields.

Because of the engagement and real world learning opportunities, students attending the Career Center have maintained over a ninety-five percent graduation rate in recent years, which we hope to continue. Also, with the addition of the tenth grade exploratory classes and a new digital media class, our enrollment for this school year increased by 35%. Not only are more students being served on our campus, we have also begun an off-campus, apprenticeship program with local business partner, MTU. This program allows students to garner valuable work experience in a real world environment.

We are proud of the individual and collective accomplishments of our students. Many have excelled at the state and national level. Some of our notable accomplishments are the attainment of NATEF certification by the automotive department as well as having a student compete at the national level in the area of mobile electronics.

As we continue to enthusiastically assist our students toward achieving success at our school and beyond, we welcome and appreciate the continued support from our parents and community.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	N/AV
Overall Grade Conversion	N/AV

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Aiken County Career and Technology Center school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
