REPORT OF SUPERINTENDENT

In spite of budget reductions and the lowest per pupil budget in the state, Anderson School District One has continued to maintain the district motto of "A Tradition of Excellence". 2011-2012 was another outstanding year for the students, teachers and administrators. Anderson One once again received an Excellent report card rating from the state based on test score gains. Ten schools earned Excellent report cards and three earned Good. Of the twelve eligible schools in Anderson One, nine schools won Gold Awards while 3 schools won Silver Awards based on general performance. Seven schools won awards for closing the achievement gap. Program improvement is a critical part of our success. Professional Learning Communities at our schools have created a culture of collaboration, more data analysis, reflection and action. Changes taking place in curriculum and instruction have resulted in a balanced literacy program for K-5, interventions for K-12 that are having a great impact on student achievement, and more professional development for teachers. Additional technology has been added to each school. All ELA and Math teachers have been trained on Common Core State Standards with implementation for K-2 in 2012-2013. The district opened a new school: Powdersville High in August, 2011 with approximately 275 students in grades nine and ten. Numerous individual school, student and teacher awards were earned during the 2011-2012 school year. Some of the highlights were: Mr. Robbie Binnicker was named Secondary Administrator of the Year by SCASA; Dr. Mason Gary was chosen as the State Administrator of the Year by the SCAEOP; Palmetto High girls softball team won AA state championship; Powdersville Middle School was selected as an Outstanding Making Middle Grades Work (MMGW) School; Four students made All State Orchestra; Three teachers were recognized for Social Studies Teachers of Distinction; Duke Energy with Palmetto Middle and donated 50 iPads; Palmetto High's AFJROTC Distinguished Unit Award.
The School Board of Trustees, Superintendent, and District Administration along with all school employees and students work closely together to maintain a tradition of excellence. The mission statement for Anderson School District One states our commitment to providing an academically challenging, community-driven, and diverse educational experience based on the individual needs of each student.

Mr. Fred Alexander, Board Chairman
Dr. Wayne Fowler, Superintendent
