Report of Principal and School Improvement Council

The North Hartsville Elementary School Eagles continued on a path of excellence in education and learning during the 2011-2012 school year. The school received the Palmetto Gold Award for Academic Performance, as well as meeting all criteria for Adequate Yearly Progress. With an average of 718 students divided among 30 classrooms, NHE stakeholders worked daily to ensure academic success for all students. First through fourth grade classes are self-contained with a strong emphasis on individualized instruction for each child. Fifth grade classes enjoy team teaching, while also focusing on individualized instruction. Students are also provided opportunities to excel in our related arts program, which includes music, art, physical education, career and guidance, computer lab/technology, and media skills. Teachers utilize many sources of data, including formal and informal assessments, to set high expectations for all students. First and second grade students are given the Dominic reading assessment three times a year, as well as periodic benchmark assessments in math and science. Third through fifth grade students are assessed utilizing Measures of Academic Progress (MAP) three times a year which assists teachers in developing individual growth plans for students. Students have opportunities to work at their instructional level to meet their goals through the use of whole class instruction, computer assisted instruction, and small group sessions. All North Hartsville Elementary faculty, staff, parents, community members, and business partners work closely together to encourage each child to demonstrate good character and to be successful academically, physically, and emotionally. Our PTO is continuously enhancing our school climate to make North Hartsville Elementary extraordinary by actively coordinating programs throughout the school year. Through many activities, support of all stakeholders, and a dedication to student achievement, North Hartsville Elementary School is truly "The Best School in the Universe"!

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
