Report of Principal and School Improvement Council

Berea Elementary School creates a safe, inviting atmosphere which fosters learning. Teachers utilize daily essential questions, adhere to state standards, and encourage students to exhibit positive character traits.

Teachers and students create classroom expectations together, which results in a positive learning environment. School-wide expectations are taught and successfully modeled daily. This results in a greater ability to focus on academic achievement. Our staff participates in professional development in the areas of Math, English/Language Arts, Writing and Technology. District personnel provide practical, hands-on opportunities for teachers to grow and develop professionally. Instructional Coaches ensure best practices are followed and are available to support each classroom teacher. Technology training assists the teachers in providing multiple opportunities for students to be actively involved in classroom lessons through the use iPads, Promethean Boards, ActivExpressions, and other programs.

Title I provides our parents with multiple levels of involvement. A wide variety of topics such as homework help, reading as a family, hands-on math activities and healthy homes were covered with the purpose of helping parents help their children both at home and school in practical ways.

Our Berea Elementary PTA supports family involvement by providing activities such as talent night, parent/child dances, international celebrations, book fairs, and literacy activities. Student achievement is recognized by the Principal on the daily news program as well as special recognition events for honor roll students and improved scores on district MAP testing measures. Our school is proud to have received recognition as a PBIS Banner School as well as a Palmetto Silver Award. Areas for continued improvement include Math, English Language Arts and Writing. While we did not make AYP last year, we anticipate continued improvement as we seek to develop our teaching proficiencies and learning experiences.

We strive for daily successes and we are proud of our school community.

Tom Miller, Principal
Scott Fitzsimmons, SIC Chairperson.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
