Report of Principal and School Improvement Council

Myrtle Beach Elementary School is a professional learning community that expects, emphasizes, models, and celebrates academic, civic, and social/emotional acts of life-long learning and leading.

Academically, MBE focuses on providing children a strong foundation for life-long learning. Children are empowered through individualized goals and learning plans based on comprehensive data analysis. Instruction for all children is designed to strengthen weaknesses and maximize strengths. From strugglers to gifted – students are recognized as unique and are provided learning opportunities each day specific to those needs. In addition to a viable curriculum presented using best practice instructional strategies, MBE offers Accelerated Reader, M3, Compass Odyssey, interactive technology, Sunshine Math, Socratic learning questions, reflection journals, data notebooking with goal-setting, Morning Study Lab, and arts integration to help all students achieve to high levels. Intentional planning, collaboration, focused instruction, technology integration, relevant and progressive professional development, and continuing education are emphasized to adults as we strive toward continuously high academic performance for all children – the adults model life-long learning.

Civic responsibility is fostered in our learning community through participation in Jump Rope for Heart, the Family Fun Run, March of Dimes, Relay for Life, the Make a Wish Foundation and our annual canned food drive. Students are provided opportunities to demonstrate gratitude to the various businesses, organizations, and volunteers that are Friends of MBE and students are led to discover ways to assist in our community.

Students at MBE are empowered socially and emotionally through consistent classroom and school-wide expectations for behavior and interaction. MBE incorporates Covey’s Seven Habits, the Positive Behavior Intervention and Support (PBIS) System, the Life Skill Leadership program, and the use of the key phrase “respectful, responsible, and ready” to focus our students on productive citizenship, both now and for the future. MBE’s Stop Bullying Now campaign focuses everyone on recognizing, preventing, and reporting bullying – students and staff wear purple each Thursday as a visible display of our unity against bullying behaviors and our commitment to treating one another with respect and kindness. MBE believes strong individuals create strong communities; everyone is held accountable for fair and ethical behavior in our learning community.

As we reflect on a successful past and as we look forward to a promising future, MBE continues to serve as a community school dedicated to its many members, helping to empower each to grow as respectful, responsible, and ready lifelong learners and leaders.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	88.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
