Report of Principal and School Improvement Council

Forestbrook Elementary School's family experienced many successes during the 2011-2012 school year. We were nominated by the State Department of Education for the National Blue Ribbon Award. We were recognized again by the State's Education Oversight Committee as a school that is Closing the Gap for historically underachieving student groups. The State Department named Forestbrook a Palmetto Gold School. Deb McCrary, a kindergarten teacher, was named a semi-finalist for the Horry County School's Teacher of the Year. We also had a very successful year with our service-learning program, which is led by our student council. This year alone, we were able to provide aid to many of our Forestbrook families who were experiencing difficulty. We also participated in the March of Dimes Walk, where we raised over \$25,000. This accomplishment made us the top fundraising school in the state and one of the top schools in the nation for the fourth consecutive year. The top priority at Forestbrook Elementary School is academic achievement. We continue to strive to move each and every student to higher levels of learning. With our continued use of the Northwest Evaluation Association's Measures of Academic Progress (MAP), we are able to continually study strengths and weaknesses of each child and chart individual courses of success. Our task is to analyze where our students showed growth, determine how that growth occurred, and utilize research-based curriculum and instructional decisions well so all of our children are academically challenged. Conversely, we must investigate what changes need to be made and where expectations were not met so that we ensure success for all students and allow them to reach their maximum potential. The commitment of all stakeholders in the Forestbrook community has assisted in our student achievement being among the best in the state. We are very proud of our accomplishments and hope that you will share in our pride. Forestbrook Elementary School will continue to deliver award-winning programs and a world-class curriculum that allows all students to build the foundation needed to enable them to become successful, lifelong achievers. This report card is a call to action for everyone to be involved in our continuing efforts to constantly improve. Thank you for your support and for sharing the responsibility of the success of our students, our school, and our community.

Susan McNally, School Improvement Council Chairperson

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
