Report of Principal and School Improvement Council

Midway is home to many that boast generational attendance. It continues to be a family oriented environment where students are nurtured and encouraged to reach their greatest potential. True to our mission of developing confident, proficient, lifelong learners, our focus continues to be on meeting the needs of the students and the community we serve. Several new programs were implemented this year to create additional opportunities for our students to be a part of the place we call home. We began our Safety Patrol program which included students from our 4th and 5th grade classes who volunteered in the mornings and afternoon and a chorus was started this year with over 60 3rd, 4th, and 5th graders. Our mail delivery system, "Wee Deliver" was revamped, involving our 2nd grade students as sorters and delivery persons. We wrote and delivered almost 1,000 letters this year. Other opportunities include: Book Clubs, Student Yearbook Club, our student-run Morning TV News Show, and 4-H Program. Our parents were very supportive of our fundraisers this year, affording us the ability to award several PTO grants to teachers and our school nurse for materials for the health room. Fully believing in continued learning for all stakeholders, teachers were given opportunities this year to participate in several different professional development sessions to include; Exemplary Writing workshops, Common Core, Thinking Maps, Smart Board, Zoo Phonics, and others. Writing, best practices, differentiated instruction, technology, and science are all part of our continued learning. We continue to use MAP (Measures of Academic Progress) to form instruction, attempting to promote students to their highest level of learning. High expectations are set for our students and our staff. Through the support and efforts of our parents, we were awarded a field trip grant for \$5,000. Our students were privileged to attend at least 2 field trips on each grade level. Our 4th grade students traveled to Charleston for an overnight stay at the aquarium; 5th graders ventured to the Yorktown; 2nd grade traveled to Wonderworks in Myrtle Beach, and our 3rd graders traveled to Boone Hall Plantation in Mt. Pleasant. Please visit our website at <http://mdw.kcsd.schools.com> to see all the happenings at Midway. Many thanks to our parents and business partners for the support they have given throughout the year.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
