Report of Principal and School Improvement Council

At Bishopville Primary School, we have worked without retreat to become a school continuously committed to being a place where "children are the heart of our purpose" and "their failure is not an option". Our faculty and staff work diligently to ensure that each child is prepared for a global society by providing safe and orderly classroom environments synergized by research-based best practices. Preschool students participate in Early-In Literacy Centers supported by a comprehensive and developmentally appropriate language and literacy program. This curriculum is comprised of components focused on phonological awareness, phonics, vocabulary development and comprehension. The students were administered an assessment three times throughout the year. The results of the spring administration showed that over 80% of the preschool students assessed had mastered the curriculum standards for their grade level. The Bishopville Primary students in Preschool and Kindergarten are taught a highly structured whole curriculum from our newly adopted curriculum Success for All.

The Success for All is built upon cooperative learning strategies, built-in character education components, technology driven interactive lessons and spiraling vocabulary, fluency practice and comprehension fueled with student inquiry. Other response to intervention programs that were newly adopted during the 2011-2012 include Read 180 (for students scoring not Met Level I) and Systems 44 (for students scoring Not Met Level II). Bishopville Primary continues to utilize the Measure of Academic Progress to progress monitor student mastery and plan differentiated instruction for all students. The Save The Children Program, which was in its second full year of implementation, continued to provide in-school tutoring for students in first grade, while it expanded its support to students in grades two and three. In January of 2012, Lee County Schools and partnered with the Save the Children Network and successfully wrote a 21st Century after-school learning community grant. This allowed Bishopville Primary's after-school program to expand its curriculum support to provide extended day tutoring to students in Math. The Save the Children/21st Century partnership provided for a summer literacy and math program structured to provide literacy remediation, math enrichment and small instruction coupled with community service projects. The Summer Boost program enabled our students to grow academically, socially, and physically.

The 21st Century summer program was supported through two critical partnerships; one with the Foster Grandparents program and the other with the Urban League Summer Work program. This partnership allowed for our school to offer one-on-one instruction when needed to student participants. Bishopville Primary School's response to intervention initiative has continued. Our Project-Read Coordinator transitioned to serve as our Success for All Coordinator and Read 180 facilitator. The school district introduced Every Day Math Counts and the math scores increased.

Professional Development was adopted as a Goal-Based Evaluation for all teachers during the 2011-2012 school year. Administration and teachers participated in a myriad of Professional Development opportunities during the 2011-2012 school year. Professional development focused on successfully implementing Success for All, Read 180, Systems 44, Every Day Math Counts, Save The Children, Student-Led Conferencing and best practices in math instruction. All grade levels received staff development on how to best utilize the new Bloom's Taxonomy and use the newly approved curriculum guides.

Monthly, Bishopville Primary holds Parent University, which is designed to involve parents and community in the School Improvement annual assessment, planning and provide information to help the parents support student success. Students are very active in the arts as well. During the 2011-2012 school year, the students at Bishopville Primary participated in a fourth grade recorder orchestra and presented two musicals. The students annually participate in several community partnership efforts in the community. Bishopville Primary's Relay for Life Team was the forerunner this year, raising over \$7,000.00 in funds to support Cancer Research. The

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	47.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Bishopville Primary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
