## Report of Principal and School Improvement Council

Through shared decision making, a positive learning environment and high expectations for student learning, Pelion Elementary continues to be an award-winning school. Receiving the Palmetto Silver Award this year is evidence that student achievement is a top priority.

Our professional learning community of dedicated employees continues to offer our students a challenging, progressive, standards-based curriculum that enables them to become self-directed and successful learners. With emphasis on the 4 C's (creativity, collaboration, critical thinking and communication), we help our students set goals and work toward achieving those goals through personalized learning opportunities.

During the 2011-2012 school year, our students worked toward closing all aspects of the achievement gap. We started the year with the good news of overall positive growth in both mathematics and writing. In a significant increase since 2010, an additional 10 percent of PES students either met or exceeded state objectives in the Palmetto Assessment of State Standards in English language arts and reading. In mathematics, 16 percent of PES students improved from a status of Not Met to either Met or Exemplary. In our fall-to-spring MAP score comparison, 65 percent of PES students either met or exceeded average growth for MAP mathematics and 64 percent met or exceeded average growth for MAP reading. Our students also have numerous opportunities to participate in meaningful activities that reinforce learning standards and promote strong leadership skills including Chorus, Media Group, Art Academy, Running Program, Chess Academy, Safety Patrol, 21st Century Afterschool Program, Band, Orchestra and First in Math.

Our students continue to work hard on their daily attendance, a challenge for our school, and this area stays at or slightly above the target for AYP. We use the Sharp program to encourage our students to be at school and demonstrate to them that commitment and attendance go hand-in-hand for learning.

As our teachers and staff grow and work together, they continue to develop their skills by participating in professional development activities and focusing on instructional strategies to improve student achievement in reading and mathematics. Using our grade-level collaborative planning time, teachers, coaches and administrators develop strategies for addressing student weaknesses, enriching the learning process and challenging students. Many of our teachers continue to work on and receive National Board status as well as advanced degrees in their areas of specialty. Our commitment to professional learning is also demonstrated by our dedication to professional reading. Our staff selects books for book studies throughout the year such as "6+1 Traits of Writing" by Ruth Culham, "The Leader in Me" by Stephen Covey and "Better Learning Through Structured Teaching" by Douglas Fisher and Nancy Frey.

PES appreciates the support of our school community and parents as we continue to take pride in making success a reality for all children.

Principal Catherine M. Hodge and SIC Chair Lisa Shumpert

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>83.2</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Pelion Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
