## Report of Principal and School Improvement Council

The mission of Saxe Gotha Elementary School is "Creating a thirst for discovery and achievement by developing creative, compassionate and responsible young leaders." We are proud to have received the S.C. Department of Education's Palmetto Silver Award in recognition of our improved academic performance in 2010–2011.

We are the first school in South Carolina to implement "The Leader in Me" model based on Stephen Covey's "The 7 Habits of Highly Effective People," in which all staff have been trained. We offered "The 7 Habits of Highly Effective Families" training to parents and community members. We hosted two Leadership Days, one in October 2011 and one in April 2012. Educators and businesspeople from across the state came to learn from us and from our children about our leadership model.

Our vision clearly states, "By nurturing the mind, body and spirit today, we will create the leaders and thinkers of tomorrow." We believe that all students can learn and be a leader. Beginning with our 3-year-old preschool students, all SGE students can speak the language of the habits as evidenced by using them in their day-to-day activities at school and at home. You find SGE students taking on roles and responsibilities that you typically see classroom teachers do, such as musicians, art leaders, photographers, cafeteria assistants, safety patrol, ambassadors, guidance assistants, behavior monitors, technology leaders, restroom monitors, etc.

In order to meet the needs of each student, we have worked hard to develop a strong Response to Intervention (RTI) program where trained staff members provide research-based interventions for students who show difficulties in reading and mathematics. Our model begins in kindergarten with highly trained classroom assistants and a certified interventionist, and continues through fifth grade. SGE is equipped with SMART Boards, hand-held GPS systems, computers, iPads and iPods and uses First in Math, V-Math Live, and Ticket to Read in classrooms and computer labs.

We are a Positive Behavioral Interventions and Supports (PBIS) school. This school-wide positive behavior program has an instructional focus where school expectations are clearly defined and modeled for our students. It teaches social behavior, makes the most of instructional time and student achievement, and ties directly with our "Leader in Me" model. We believe in positive interactions with students, staff, parents and community members and have worked hard this year to create a climate that supports that belief. Students are recognized on a regular basis for positive choices, improved grades, outstanding grades and display of quality character through the 7 Habits.

Though we are proud of the successes we have experienced this year, we look forward to accomplishments yet to come. Our challenges include achieving AYP as the bar continues to rise. We will address this by continuing implementation of core curriculum, providing interventions to struggling students, adding an extended day program for third- through fifth-grades; differentiating instruction, using technology, and providing our staff with the training and materials they need to succeed.

"Through learning and leading, I WILL change our world."

Principal Elizabeth A. Houck and SIC Chair Thomas Shumpert

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>99.0</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Saxe Gotha Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
