Report of Principal and School Improvement Council

The 2011-2012 school year was exciting and rewarding for Bridge Creek Elementary. As we conclude our fourth year of existence, we are proud of several accomplishments. For the third consecutive year, we received the Palmetto Silver Award for high academic achievement, and we were also recognized as a school that is closing the gap between historically achieving and historically underachieving students for three consecutive years.

Moreover, our commitment to hiring the best educators has not gone unnoticed, as one of our teachers was selected as the District Teacher of the Year. "Bridging the Path of Excellence to Children" is also reflected in our after-school programs. To meet the needs of our community, our Boys and Girls Club opened at 5:00 a.m. each morning and closed at 6:30 p.m. each afternoon. Our students were also able to participate in Art Club, Chorus, Student Council, Steel Drum Band, Drama Club, Sports and Fitness Club, Recycling Club, Stock Market Team, Cheerleading and Dance, and our student-led morning news program. These clubs were essential to the growth and development of the students in which we served.

Many effective academic programs are in place to meet the on-going needs of our students: Tier 1 and Tier 2 interventions, Differentiated Instruction, Study Island, Accelerated Math, Accelerated Reading, Accelerated Reading Cohort (first grade), and first through fifth grade after-school tutoring. We will continue to use data as we plan and implement curriculum for our students. The data from NWEA Measure of Academic Progress (MAP) and Palmetto Assessment of State Standards (PASS) will continue to be analyzed to guide our instruction.

Our vision this school year has been to build culture and community throughout our school and community. With the assistance of our PTO board and SIC, we were able to bring in our families outside of the school's normal operating hours. Our annual Family Reading Night, Family Dance, Math Night, Science Day, and Arts Day were a huge success, with more than three hundred people participating in most of the events. As we continue to build a culture of excellence, we will use our parents, community, and students' feedback from surveys to move forward.

 Bill McCracken, SIC Chair

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
