## Report of Principal and School Improvement Council

At Inman Intermediate School, where “all children are shining stars,” our students continue to achieve! A rigorous curriculum and an individualized approach to instruction helped our students see gains in MAP (Measures of Academic Progress) scores, PASS (Palmetto Assessment of State Standards) scores and overall academic performance in the classroom. Because of these accomplishments, we received the SC Department of Education Palmetto Gold award for academic performance as well as the State Department of Education Closing the Gap Award. IIS was also named a SC Reading Honor School by the SCIRA, and received the NSPRA Award for Excellence for our school website. Additionally, we received an Arts in the Basic Curriculum Arts Grant to infuse the fine arts into our curriculum. IIS also celebrates the success of our teachers and students. Several teachers received grants this year, allowing them to purchase instructional items for their classrooms and musical instruments for our music program. Ten students’ artwork was displayed at the Chapman Cultural Art Center. Our students participated in March of Dimes, Relay for Life, and collected over 4,000 canned goods for the needy, donated supplies to Miracle Hill, donated children’s books to a homeless shelter, and participated in the Make a Wish Foundation, helping make a dream come true for a young cancer patient. The faculty and staff at IIS are committed to high levels of student achievement. This commitment is evident in the achievement of all students as our students continue to score above the state average on state PASS testing. We pride ourselves in identifying each child’s individual strengths and weaknesses in order to provide exemplary academic experiences. Our faculty provided differentiated instruction on a daily basis as a result of analyzing student MAP, PASS, and Dominie data, as well as student classroom performance. Through these efforts, we are able to provide challenging activities for all students, which allow a common framework for organizing resources, collaborating, and goal setting. Our teachers, students, and SIC have set goals to increase student achievement, provide embedded staff development for teachers, and to involve parents and community. Continuous uninterrupted and research based instruction is a clear focus at IIS. This is accomplished through daily common planning time for teachers, implementation of rigorous, standards-based instruction, and embedded staff development opportunities for our faculty. IIS is committed to providing opportunities for our students to make good choices to become productive citizens. Students have the opportunity to be involved in numerous clubs such as the Jr. Beta Club, FCA, Need to Read Club, Student Council, Yearbook, Need to Read, Recycling Club, etc. Our PTO and SIC have provided outstanding support for our school. Our PTO purchased classroom supplies, assisted with student recognition in numerous ways, sponsored our RIF program, sponsored our spring Beach Day, purchased technology items for our school, and purchased fine arts supplies. The SIC worked throughout the year to serve as a liaison between the school and community. We are grateful for the continued support of our SIC, PTO and our local business partners. Through the collaborative efforts of our students, faculty, parents, and community, we will continue to provide every child at IIS with a quality, student-centered education. The faculty and staff of IIS invite you to take an active part in your child’s education and join us in fulfilling our mission for the students of IIS.

Debbie Wright, Principal

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>95.3</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Inman Intermediate School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
