Report of Principal and School Improvement Council

This has been another exciting year at Manchester Elementary. We have participated in many initiatives and have earned several recognitions. We are proud to have been named a Palmetto Silver School by the State Department of Education. Our work with the Positive Behavior Intervention and Supports (PBIS) initiative garnered the Ribbon Award, also from the State Department of Education. In addition, we implemented the Olweus Anti-Bullying Program. Manchester is fully accredited and all staff members are highly qualified. We are able to accomplish these things because we are Manchester, and Manchester Works!

Manchester works to have a school where students are prepared to learn and ready to meet the challenges of each day. We work to have a school where parents are actively involved and participate in their child's education by attending workshops and special events, and by encouraging school attendance, good homework habits, and excellent behavior. Through PBIS and Olweus, we work for a safe and supportive environment across the entire day—whether it is on the playground, on the bus, in the hallways, or in the cafeteria.

Manchester works by utilizing the services of a curriculum coordinator who assists the administration in developing professional learning opportunities based on our population and needs. Opportunities have included Standards-Based Curriculum Delivery, Student Assistance, Technology-based Learning, Test Analysis, and Brain Research. Moreover, grade-level planning enhances professional collaboration and partnership.

Manchester works to foster good citizenship by contributing to and caring for the community. Service Learning and School to Work initiatives include My Community and Me, Shower Shaw with Cookies, Career Fair, and many other projects to raise awareness. Our philanthropic effort has been mainly geared toward the American Cancer Society and the Sumter County Relay for Life, but we have also made significant donations to the Heart Association, and Pennies for Patients. We strive each day to show that Manchester Works! Thank you for working with us and for giving us the opportunity to serve your child.

Stella. S. Hall, Principal
Mrs. Miranda Sparks, School Improvement Council Chairman

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
